# Non-Responsive

Region 7

**Upcoming Events** 

## Non-Responsive

During the week of November 11, Chuck Hooper will provide oversight for the preconstruction sampling and preparation for the fire break barrier to be installed at the Bridgeton, MO site near the West Lake Landfill. EPA will do radiation sampling before the trench is dug and fire barrier installed.

# Non-Responsive

Next Call December 3rd 1-2 EST - (

Ex. 2 - Internal Rules and Practices of Agency

#### Send Agenda item suggestions to me by end of the month

Please continue to let me know what you think of the off month newsletter idea and any comments/suggestions that you may have and if it is of continued value.

**Thanks**
